BIG FIELD DAY AT TAFTVILLE TODAY

THE BEST ATHLETIC PROGRAM EVER PRESENTED TO THE PUBLIC IN THE HISTORY OF THE BAY STATE TEAM WAS HERE EARLIER THIS SEASON AND GAVE THE LOCALS A FAST RUN FOR THE VICTORY THAT THEY CHALKED UP BY A NARROW MARGIN.

AMERICAN LEAGUE PENNANT RACE NOW VERY CLOSE

New York Sept. 3.—The American league pennant race tightened today with only a point or two separating the Cleveland leaders from Chicago, in third place. New York's victory over Boston today advanced the Yankees to a virtual tie with Cleveland, which was shut out by Detroit. Chicago fell back to third place by dropping a game to St. Louis.

All three lead teams in the National League won today and Cincinnati retained its half game advantage over Brooklyn. New York is two games behind the Superbas.

THREAD MAKERS PLAY CRACK TEAMS ON SEPT. 5TH AND 6TH.

(Special to The Bulletin.)

Willimantic, Sept. 3.—The American Thread company team of this city have through their manager, John McQuillan, arranged for two fast games to be played at Recreation Park Sunday, Sept. 5, and Monday, Sept. 6. On Sunday The Session's Clock company of Foreville will come to this city. This team has been hitting a fast pace this season and among those teams that have met defeat at their hands are the All-Insurance Club of Hartford, Southington, Unionsville, Tip Natches of Benoni Falls, North Ends of Meriden and the Hartford Grays. These teams have been seen in action by many local fans, and the class of game to be played here Sunday is rated as of 1st order.

The Thread Makers will send "Johnny" Cooney, the no hit, no run, 19 year old wonder, into the box to face the Clock Makers, and they will have to be geared up mighty straight to beat the lad. The remainder of the lineup will be the same as usual, excepting possibly at third, where it may be possible that Hamel cannot play, owing to injuries received in the game of last Sunday. The Foreville manager sends his probable lineup as follows: Filpatrick 3b, McDermott 1b, Downes 1b, Coughlin ss, Allaire cf, Laurence rf, Clancy 2b, Gafferty or Gettelsohn c, and Maynard or Oakes p.

On Labor Day the Thread Makers will play the Singers of Bridgeport. This team of ballplayers established a reputation as real ballplayers when they played in this city during the season. The game was a thriller all the way through, the fine pitching of Cooney for the Thread company team and the crack outfielding by Dukes in right field for the Singers bringing the crowd onto their toes whenever these men needed to produce the goods. The game went nine fast innings, and the locals won in the last of the ninth on a squeeze play. Cooney rolling a neat one along first base line, Babe Adams scoring on the attempt. The score was but 1 to 0, and the fans all hand their money's worth.

FINANCIAL AND COMMERCIAL

MARKET WAS DULL.

New York Sept. 3.—The approaching protracted holding left the impression upon the stock market today, dealing falling away to a marked extent during the forenoon when traders were most intent upon converting their profits into cash.

Bears evinced little disposition to extend their commitments in spite of these maneuvers, developments of the session, particularly the greater ease of money and impending extensive gold imports, offering little inducement to the short account.

Not all of the day's activities were favorable, however, cables from Brazil suggested economic disturbances in that country, while the weekly surveys of domestic trade authorities again stressed cancellation of orders in many branches of business.

Itals forfeited little of their recent advance, but yielded in prominence to favorites of the industrial division. These included food, chemical, paper and metal issues, in which some gains assumed substantial dimensions and denoted the renewed activity of pools.

Among the seasoned stocks, oils of the higher grade were most favored, notably Mexican, Pan-American and California Petroleum, Houston Oil and Texas Company. Copper, more readily responsive to reports of respective sales for export, but Steels and equipments shared with specialties at the close. Sales amounted to \$5,000 shares.

At 2 per cent, opening rate for call loans running into next week and a later quotation of 6 per cent for the same accommodation testified to no further relaxation of money. Local bankers were reported to have made time loans extending over the year's end at a shade under prevailing rates.

Buying of railroad bonds continued, with firmness in Liberty issues and the foreign group, especially United Kingdoms of 1913. Total sales (par value) amounted to \$9,000,000. Old U. S. bonds were unchanged on call.
